

Welcome

Travel has been my life for over 20 years. St Augustine's famous quote remains as true to me today as it was when I first set up 2by2 Holidays – "the world is a book and those who do not travel, read only one page".

My first love was Africa, the place of my birth. Its remarkable wildlife and cultures continue to captivate me today. A recent visit to the wildlife of the

Serengeti has starkly reminded me just how fragile the survival of so many endangered species remains and reinforced my belief that travel must always have conservation at its heart.

In recent years I have discovered the joys of travel in the Indian subcontinent and Latin America. The iconic sites and cultures there are no less enthralling and everywhere wildlife adapts and survives, from harsh barren deserts to cool mountain cloud forests and tropical wetlands.

My enthusiasm burns as brightly as ever and I continue to be as involved in every aspect of the business as I always have been, backed up by our superb travel team. I'm particularly thrilled that so many of our customers return time after time.

I do hope you find our latest brochure inspiring and we all look forward to hearing from you.

Victoria Falls

Zimbabwe

Bordered by two major rivers – the great Zambezi in the north and the tranquil Limpopo in the south – Zimbabwe is an astoundingly beautiful country. It is a land of striking mountains, lush bush and game-rich flood plains.

Famous for the breathtaking views of the Victoria Falls and the archaeological ruins at Great Zimbabwe, Zimbabweans are also legendary for their warm welcome. Tourism is making a huge difference to people's lives at a grassroots level and with its national parks encompassing an exceptional variety of habitats, game viewing here is amongst the finest in Africa. Big Five safaris in Hwange Game Reserve are outstanding and the wildlife along the Lower Zambezi River at Mana

Pools is flourishing. Lake Kariba, the world's largest man-made lake and reservoir, lies on the border with Zambia and is the place to go for boat cruises and good game viewing in the adjacent Matusadona National Park.

The magnificent Victoria Falls is a magnet for visitors and easily reached from South Africa, Botswana and Namibia, including by rail on the luxury Rovos Rail train from Pretoria. There is a good choice of accommodation near the

falls and it's well worth spending several days here, as there is much to do. As well as visiting the falls and exploring the town, visitors can view African elephants, take a sunset Zambezi cruise on the smooth waters above Victoria Falls, where there are large pods of hippo, crocodile and birdlife, and watch the animals as they come down to the river to drink. You may even be fortunate enough to see an elephant swimming across the Zambezi River, with its trunk held high.

The magnificent views of the world-famous Victoria Falls from the Zimbabwean side are arguably without parallel. A Big Five safari in Hwange, one of Africa's most iconic national parks, is unforgettable.

Hwange National Park

Keen riders can book an overnight horseback safari along the Zambezi Gorge, golfers can play at Elephant Hills and fishermen can test their skills with some tiger fishing. Or you can take a canoe safari down the gentler rapids above Victoria Falls. Adrenaline-fuelled activities include white-water rafting in the turbulent Batoka Gorge below the falls and bungee jumping from the iconic Victoria Falls Bridge. About a three-hour drive to the south of

Victoria Falls, Hwange National Park is the largest game reserve in Zimbabwe and can be visited all year round. Its huge variety of game – with all Big Five present – is impressive, making it one of Africa's greatest national parks. Predators include lion, leopard, cheetah and wild dog. With over a hundred mammal species, huge populations of elephant and the lack of crowds, Hwange offers an outstanding safari experience.

The safari lodges are of a good standard and include the option of small luxury tented camps. Walking safaris and sleep outs are offered, with strategically placed hides adding an exciting extra dimension. Birding is also superb with over 400 recorded species. The quality of Zimbabwean guiding is legendary. It is also very easy to combine Victoria Falls with the river-based wildlife of Chobe National Park in Botswana, which is only 2 hours away by road.

Mana Pools National Park

Easy to reach from the capital city of Harare, vast Lake Kariba was formed by the creation of the Kariba dam. Popular with locals and tourists alike, visitors can canoe, kayak and fish as they soak up the sunshine. Tiger fishing is particularly good with international competitions held here annually. Sunrises and sunsets over the lake are spectacular and game viewing from the river is a delightful way to end the day. Accommodation is mainly on the east and southern shores of the lake and ranges from well-established lodges to laid-back houseboats.

To the south of Lake Kariba, the Matusadona National Park is home to a sizeable range of animals including the Big Five – the Black rhino numbers are small but important. Buffalo and plains game are numerous and predators include lion, leopard and hyena. Birdlife is superb with many species of waterbirds and raptors, as well as colonies of the brightly coloured bee-eater.

Located in the Lower Zambezi Valley, about 60 miles downstream from Lake Kariba, Mana Pools is an area of upmarket tourism. Highly regarded as pristine and virtually unspoiled, Mana Pools is a World Heritage Site offering visitors superb game viewing by canoe. The huge pools of permanent water attract hippo, elephant, buffalo, Black rhino and Nile crocodile. The mixed habitat means that the birdlife is out of this world, with many species of stork, heron and waterfowl as well as Fish eagle and the much-prized Pel's fishing owl.

In the south of the country near Bulawayo, the view from Matobo (or

Matopo) National Park, nicknamed the 'Top of the World', is unforgettable. This is the burial place of Cecil John Rhodes, the mining magnate who first colonised this country. The reserve contains many well-preserved Bushman rock paintings and strange stone formations that look as if they have been piled up by external forces. Leopard concentrations are high here and both Black and White rhino have been successfully re-introduced.

A visit to the national monument of Great Zimbabwe is another must-see. Located about 15 miles from the town of Masvingo (formerly Fort Victoria), the ruins date from the 11th century and are the largest sub-Saharan stone structures ever discovered. Built from huge granite rocks using dry-stone wall techniques, Great Zimbabwe was once a palace for kings, and its history has been much debated. Regardless of its provenance, a visit here is awe-inspiring.

Other places of importance include the Eastern Highlands that run for about 180 miles north to south along the eastern border with Mozambique. This is an area of astounding beauty with fabulous hiking and excellent trout fishing.

In the far south of the country, Gonarezhou National Park is part of the Transfrontier National Park that is being developed to link with the Kruger National Park in South Africa and Parc Nationale de Limpopo in Mozambique. This will give migrating animals a huge area in which to roam free through these three countries.

Downstream from the Victoria Falls, in Zimbabwe's northern region, Lake Kariba has become a popular destination for a relaxing holiday mix of water-based activities and game viewing. A few days spent on a houseboat exploring this vast lake is immense fun – it's 170 miles long and 24 miles at the widest point.

Zimbabwe Safari

- DAY 1** Arrive in Victoria Falls
 - DAYS 2/3** Explore the mighty 'Smoke that Thunders' & enjoy a Zambezi sunset cruise to see hippo, crocodile and birdlife
 - DAYS 4/6** Transfer to Hwange National Park, with morning & afternoon Big Five game drives in open-top game viewing vehicle
 - DAYS 7/9** Fly to Lake Kariba, with game viewing in Matusadona National Park and relaxation on the shores of this great lake.
 - DAY 10** Depart from Harare
- This holiday can easily be combined with Cape Town in South Africa.

When to go

Zimbabwe has a hot subtropical climate. The best time to visit for game viewing is during the cooler months from May to October, as the bushveld is dry and animals must come to the rivers and waterholes to drink. Victoria Falls has the greatest water flow from February to June, following the summer rains. Birding is best from November to March (the hot, wet summer) as this is when the migrants visit. This is also the birthing season when the landscape is lush and green.

This is an example itinerary – see page 5 for key. For more ideas, information and prices call us on 01582 766122 or visit www.2by2holidays.co.uk

Special Interest Holidays

Travel offers a wonderful opportunity to do and see things that you have previously only dreamed of. We can introduce you to a wonderland of new experiences and if you have a particular passion or interest, we are the people to talk to. Known for our wildlife and cultural holidays, we also have expertise in many other specialisms. Unlike most travel companies, we take the time to research and book even the most unusual requests. Here we highlight some of the special interest holidays that other customers have loved.

Walking

If you enjoy hiking, we offer a thrilling range of walking safaris – ranging from a few hours in the early morning or late afternoon, accompanied by an armed ranger, to specialised walking camps in Botswana and South Africa where all game viewing is on foot. We also offer point-to-point trails in Zambia, where you can spend a week walking from one remote bush camp to another – a truly unforgettable experience!

You can trek to see mountain gorillas, and in most of our destinations we can incorporate a variety of walking and hiking trails into your itinerary, ranging from day hikes to waterfalls and volcanoes in Costa Rica, to Peru's iconic Inca Trail and Nepal's stunning Annapurna Trek.

If you are sufficiently fit, you can even combine a safari in East Africa with climbing Mount Kilimanjaro, accompanied by experienced mountain guides.

Birding

Many of our customers are avid birders who want to spot regional endemics, as well as increase their life list, whilst others are more casual birders who simply enjoy the pleasure of identifying known species and spotting new ones. Whichever category you fit into, we know how important it is to design an itinerary that visits the best birding regions, at the right time of year.

With our extensive network of

specialist birding guides, we can tailor make private tours to key destinations such as Costa Rica, Colombia, Mexico, Chile, Argentina, Peru, Ecuador and Galapagos, Brazil, Guyana, Madagascar, South Africa, Botswana, Kenya, Tanzania, India, Bhutan and Sri Lanka. We can also help you track down iconic species, such as the Harpy eagle in Panama.

We offer cheaper lodge-based birding holidays too, using guides employed by

the various lodges – although the quality of guiding can vary – and a few scheduled departure tours in high demand countries such as Costa Rica.

Sports & Cultural Events

As we tailor make all our holidays, we cater to a wide range of special interests.

Golf

Our golf holidays in South Africa are particularly popular, allowing golfers to escape the northern winter and combine championship golf with wine tasting and a luxury safari or beach break. You can select the courses you wish to play, varying from social to world class.

Riding

Our riding holidays vary from thrilling mobile horseback safaris in Big Five territory for experienced riders, to family-friendly lodge-based riding holidays suitable for all levels.

Diving

The Indian Ocean offers outstanding diving in warm water, from Kenya all the way down to Zanzibar, Mozambique and South Africa, as well as the islands of the Maldives, Andamans, Mauritius, Seychelles

and Madagascar. Galapagos offers live-aboard dive ships, whilst Mexico and Belize offer superb Caribbean diving.

Fishing

These same regions offer some of the best deep-sea fishing in the world. To this must be added the renowned fishing waters of the Baja Peninsula in Mexico.

Sports Events

Sports events are often the catalyst for a special holiday. We can source tickets to rugby internationals in South Africa and Argentina, as well as cricket tests in India, Sri Lanka and South Africa. We can also arrange Grand Prix packages.

Cultural Events

We can also build a holiday around special events such as the Rio Carnival, Holi in India or the Day of the Dead celebrations in Mexico

Cruises & Houseboats

Expedition cruises explore regions that are difficult to reach in other ways, whilst relaxing houseboats provide a different perspective from the water.

Expedition Cruises

Expedition cruises to the Galapagos Islands in Ecuador are the best way to explore the unique wildlife of this stunning archipelago. Itineraries vary in length from several days to a week or more, with a wide choice of boats varying in size, design and cost.

Patagonia expedition cruises sail from southern Argentina to Chile, and vice versa, navigating via Glacier Alley and Cape Horn.

Expedition cruises to the Falkland Islands and Antarctica use much larger vessels capable of handling the polar ice.

You need to be relatively mobile to enjoy an expedition cruise, as you will disembark twice a day for excursions, making your way down a gangplank into a zodiac-type inflatable.

Houseboats

Houseboats are a relaxing way to watch the world go by. They are the perfect way to explore the mighty Amazon River, the largest in South America, whether boarding from Manaus in Brazil, Coca in Ecuador or Iquitos in Peru.

You can also explore Brazil's southern Pantanal by houseboat or sail down the Magdalena River in Colombia.

India has houseboats that sail down the Brahmaputra and Ganges Rivers and are wonderful for observing local life. You can also spend a night on a traditional rice houseboat gliding through the Kerala backwaters.

In Africa, Botswana has houseboats on the Chobe River, superb for both wildlife viewing and tiger fishing, whilst Zimbabwe has houseboats on Lake Kariba. Lake Jozini in South Africa also offers tiger fishing by houseboat.

Houseboat facilities will be en suite, but expect the cabins on many boats to be relatively small and simple.

Ocean Cruises

Through our sister company, Auriel Holidays, we can source a wide variety of ocean cruises that can tie in with tailor-made land arrangements, either before or after your cruise.

Accessible Travel

If you are a wheelchair user or have limited mobility, long-haul travel poses a unique set of challenges, but as the UK market leader in accessible safari holidays we have considerable expertise in this field. Our greatest experience is in Southern and East Africa, but we have been expanding our knowledge in recent years and we now also offer accessible holidays to India, Sri Lanka and Latin America.

Whether you are simply unsure about travelling without assistance, walk with sticks or use a wheelchair permanently, we can design a holiday appropriate to your needs. We know which hotels and lodges are accessible (i.e. ramps, roll-in showers and grab rails) and which are not, and your private guide can travel with a shower chair if needed. However if you use a power chair, we will need to get the approval of the airline before we can confirm your holiday.

In South Africa, Zimbabwe, Kenya, Tanzania and Namibia we have access to a small number of accessible vehicles, with ramps for wheelchairs. If you have upper body strength and can transfer into a regular vehicle, you will have more destination choices.

In India we also have a few accessible vehicles on the famous Golden Triangle route. In Latin America accessible vehicles are found mostly in the larger cities, but if you use a manual wheelchair we can take you to places such as Machu Picchu and the Galapagos Islands.

The accessible section of our website

showcases the many destinations we offer, but as you will have many questions please call us to discuss your specific needs or visit us in person and we will be happy to go through all the details with you.

As accessible hotels, guides and vehicles are always in short supply, you should book your holiday well in advance.

Small Group Tours

We offer a range of sociable small group tours in many of our key destinations, if you don't want to travel independently or self drive.

Southern Africa

South Africa offers a range of small group tours, travelling from beautiful Cape Town along the scenic Garden Route to Port Elizabeth. Afterwards you can add on a Big Five safari in the Eastern Cape. Alternatively, you can combine the wildlife of the famous Kruger National Park with Eswatini (Swaziland), Zululand and the beaches of Durban.

Namibia tours take in this country's dramatic landscapes, from the Fish River Canyon to Etosha, with longer tours

travelling through the lush Caprivi to Victoria Falls.

Botswana wildlife tours are generally done under canvas, exploring the wildlife of the Okavango Delta and Chobe.

East Africa

Kenya small group tours visit the famous Masai Mara, the elephants of Samburu and Amboseli in the foothills of Mount Kilimanjaro, with shorter tours from Mombasa.

Tanzania tours explore the northern circuit of Tarangire, Ngorongoro Crater and the vast open plains of the wildlife-rich Serengeti.

Uganda tours focus on chimp and gorilla trekking. Ethiopia tours explore its ancient history.

Latin America

Peru tours visit Cusco and the stunning Inca citadel at Machu Picchu, with an extension to Lake Titicaca and the salt flats of Bolivia. Alternatively, you can combine Peru with Ecuador and the fascinating Galapagos Islands.

Brazil tours combines vibrant Rio de Janeiro with the thundering Iguassu Falls, whilst tours of Argentina and Chile focus on their capital cities and the dramatic landscapes of spectacular Patagonia.

Mexico small group tours explore their pyramids and the spectacular Mayan ruins of the Yucatan, before relaxing on the warm Mayan Riviera.
